📍 West Champaran, Bihar, India

Summary

Computer Science and Engineering undergraduate with hands-on experience in Android and web development. Proficient in Java, XML, Firebase, and modern application technologies. Built multiple Android applications with offline access, smart search, and structured learning systems, focusing on scalable architecture and user-friendly digital solutions.

Technical Skills

Programming Languages: Java, C	Responsive Design
Mobile Development: Android Development, Flutter, Android Studio, XML, JSON	Backend & Databases: Firebase Realtime Database, SQL, Node.js, REST APIs
Web Development: HTML, CSS, JavaScript, React,	Tools: Git, GitHub, VS Code, Android Studio

Projects

NotesAura – Programming Guide (Android App)

- Built an Android learning platform featuring 100+ programming tutorials, structured notes, quizzes, and smart search functionality.
- Integrated secure payment gateway and supporting web platform, improving accessibility for 500+ learners.

Vocab Doctor – Dictionary Learning App

- Created an Android vocabulary learning application with offline access, smart search, and daily word updates.
- Implemented Firebase backend enabling real-time synchronization and improved data reliability.

Elite Computer Classes – Learning App

- Designed an Android learning platform delivering courses, PDFs, offline study resources, and search functionality.
- Integrated Firebase-based real-time updates improving content accessibility for students.

Experience

Web Development Intern — Infotact Solutions May 2025 – Jul 2025

- Developed a responsive web application using React, Express and MongoDB - **Foodela**, improving frontend performance and user interaction.

Frontend Development Intern — CodeAlpha May 2025

- Created responsive web pages using HTML, CSS, and JavaScript improving cross-device compatibility.

Computer Teacher — Elite Computer Classes Apr 2021 – Jan 2023

- Taught Advance Diploma in Computer Applications (ADCA) and programming fundamentals to 100+ students.

Education

B.Tech in Computer Science & Engineering Centurion University of Technology and Management	2023 – 2027
--	-------------

Intermediate of Science Tarkeshwar Prasad Verma College	2021 – 2023
---	-------------

Matriculation +2 High School Narkatiaganj	2021
---	------

ADCA – Advanced Diploma in Computer Applications Elite Computer Classes	2021 – 2022
---	-------------

Certifications

- Android Mobile Application Development — SWAYAM (MHRD)
- Android Development with Kotlin
- HTML & CSS Training — HCL GUVI
- GeeksforGeeks CUTM Training Program
